STATE LICENSING REQUIREMENTS AND DISCLAIMER

PAUL MITCHELL THE SCHOOL LAS VEGAS DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Nevada State Board of Cosmetology to deny licensure. The Nevada State Board of Cosmetology denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School is not responsible for students denied licensure.

All students enrolled in the Provisional Instructor program have 45 business days after graduation to apply, test and receive their instructors license with the State and provide to proof to the school, otherwise they will not be eligible to continue their employment.

Effective August 1, 2013 Nevada State Board of Cosmetology will no longer approve or allow testing to any student with a felony conviction involving a violent crime or anyone who has not completed their sentence, are on parole, and/or probation.
